

Dear Parents,

We have entered our school into this competition and the competition prizes are as follows:

- a. 1st Prize – an “Edu-tech” prize pack to the value of \$25,000 (excluding GST);
- b. 2nd Prize - an “Edu-tech” prize pack to the value of \$15,000 (excluding GST);
- c. 3rd Prize - an “Edu-tech” prize pack to the value of \$10,000 (excluding GST);

A prize includes the choice of any one, or, a number of educational products to be selected through discussions between each Winner and Genesis Energy and must include items deemed by Genesis Energy to be suitable to help build the School’s capacity to encourage students STEM (Science, Technology, Engineering, Maths) learning products, up to the total value of that Winner’s respective Prize.

We are urging our staff, parents and pupils to be part of this competition and go on-line every day to vote on the School-gen voting page <http://www.schoolgen.co.nz/voteforyourschool/>

People can vote once a day up from each device they use until voting ends on 2 April 2018.

To ensure a small school has as much chance of winning as a big school, they will be dividing the number of votes a school gets by its school roll. The top five schools will go forward to an independent judging panel who will decide who wins.

Yours sincerely,

Justine Driver  
**Principal**
