

2 February 2018

Dear Parents and Caregivers,

In 2018 we continue with our initiative to help us get to know you and your child and thus support his or her learning. Our first Home/School Partnership meeting (involving the student, parent and teacher) will be have a focus on your child's learning and well-being, and we would like your input before the meeting. We have set the dates for Week 3; Tuesday 13 and Thursday 15 February from 3.20 - 6.30 each evening.

Booking times open on line at 3.30pm on Friday 3 February and close at midday on Monday 12 February. Please refer to the back of this newsletter for instructions and booking codes.

Strong Home and School Partnerships are vital to maximise student learning. We would like to make best use of this "Home/School Partnership Meeting", by asking you to complete the attached questionnaire that will then assist both the student and teacher in goal setting at the beginning of the year. Also taken into account will be the 2017 End of Year report which contains valuable information regarding achievement and next steps.

This is also an opportunity to work with the class teacher to see your child become more involved in extra-curricular activities and leadership and to talk about important skills such as self-management, independence, and developing positive relationships.

Class teachers also like to know what your child is interested in; their activities and passions out of school as this helps in building connections.

Please fill in the section below, so that your child can return this to the class teacher before the discussions.

Kind regards

Robyn Steel
Deputy Principal

My child _____ is in Year _____ Room _____

Out of school he/she likes or is involved in _____

Goals we/I have for my child in 2018:

- _____
- _____
- _____
- _____
- _____
