

Junior School Athletics Day 2017

Our Junior School Athletics Day is on Wednesday 22nd November at 10.45am.

All parents, grandparents and friends are most welcome to join us for this special event. You may decide to stay on after the event and share a picnic lunch with your child/children. Ordering a lunch through the school canteen is available and a form regarding this option will follow shortly.

Children are to come to school in suitable clothing.

Shorts and a T-shirt, and a track suit or warm sweatshirt if the weather is cool.

Children will need to wear their school hat and have had sun block applied at home. All children must wear footwear to and from school but they will be running in bare feet. Please name all clothing and footwear items clearly.

Please include a named drink bottle on the day, filled with water only.

Programme for the morning

10.45am: Children will assemble in their classes by the flagpole. They will be taken in age groups/ class groups to the marshalling area at the far end of the field to start their running races.

Please note there are no finals as the emphasis for this event is participation!

At the completion of the running races, we will reassemble to get into our teams to complete a variety of field events. You are most welcome to join your child's team and move with them through the activities.

The athletics event will close at **12.30pm** in preparation for lunch.

We look forward to seeing you there.

Kind regards

Junior School Teachers
