Pasifika Dance Group

Exciting News

We would like to offer learners the opportunity to be part of our new Pasifika Dance Group. This is open to all Year 3 to 6 children who are interested and will take place during lunchtime on Fridays.

This group will allow children to:

- Learn some basic dance moves
- Find out about the customs and traditions of different cultures
- Be introduced to and learn some basics of new languages

The group will be run by Mrs Dee Frost (parent), supported by Carolyn Moran (Resource teacher of learning) and Mrs Sharon Knofflock (Assistant Principal)

This is a wonderful opportunity and we will be beginning with a focus on Samoan Culture. Over time we are hoping to get more parents involved in sharing the traditions and customs of their culture with our learners.

Initially the group will be limited to 15 but in the future we are hoping to grow our capabilities and include more learners.

Your child will be able to sign up to be a part of this group through their class teacher.

Sharon Knofflock

Assistant Principal
