

# SUNNYHILLS SCHOOL

28<sup>th</sup> February 2017

Dear Parents,

## **2017 YEAR BOOK**

This year the staff and children will be putting together a 2017 Year Book covering all aspects of school life at Sunnyhills in 2017. There will be a contribution from each class and it will also be filled with photos of all our exciting events over the year.

The cost of the 2017 Year Book will be \$20 per book but it is not compulsory to purchase. When you next log into "Wrap It Up" you will see the option to purchase the 2017 Year Book. This option to purchase will be removed from "Wrap It Up" on 25th September 2017. The school will then download the names of the families pre-ordering the Year Book and place the order with the printer. No extra Year Books will be purchased so if you want one, you must preorder. The book will be distributed to families at the beginning of December.

Regards

Justine Driver  
**Principal**
